WHAT PEOPLE SAY

"I have had this company put a roof on two separate properties that I own. Both times they were there on time, very efficient and did an excellent job. When they left you would never know they were there by the cleanup that they did. I have no complaints and highly recommend them. They are cheaper than other companies and do a wonderful job and the owner is a stand-up person who is always willing to communicate and answer any questions." -Tony L.

Feed the Birds.
Feel the *joy!*

Add Peanuts to Your Yard and Watch the Birds Flock In!

Peanuts are a powerhouse snack for birds, especially as they prepare for colder weather. Loaded with protein and fat, peanuts mimic foods birds find in nature such as acorns and pine nuts. Our Peanut Hut feeder lets you watch birds, like jays, nuthatches, and chickadees, work to remove a morsel and decide whether to eat it right away or hide it for later. Try offering peanuts; they're a simple addition that brings big rewards for you and your birds.
